

CAMPUS NOTES

SPREADING WORD: The students from Good Shepherd International school went to the villages and performed skits and made speeches on prevention of dengue to the people

Dengue awareness

Good Shepherd International School along with the department of primary health, Nilgiris district, have conducted dengue awareness camp on October 29 at Nanjanadu, Kappathorai, Palada and Muthorai after receiving a circular from district collector Innocent Divya. The students from the school went to the villages and performed skits and made speeches on prevention of dengue to the people. They distributed pamphlets and extracted oath from many people to follow the instructions given by the state government.
