

GOOD SHEPHERD INTERNATIONAL SCHOOL

ICSE / ISC RESULTS – 2015

We are very proud to inform you about the success of our students in the ICSE and ISC examinations 2014-2015!

Congratulations to the ICSE and ISC Class of 2014-2015 for their excellent Academic results.

ICSE 2015

The Class of 2014-2015 distinguished themselves through their commitment to their studies, joy of learning and excellent relationships with our dedicated and professional staff. These are young scholars who will be leaders of the future - articulate, confident and intelligent decision-makers.

Of the 39 students in the ICSE (Science) batch, Avantika Poddar topped with 96% followed by Shivam Garg and Tejas H. Badani each scoring 95% and 92.8% respectively. In the Commerce group, Abhyuday Sureka was the highest scorer with 90.8%, Naman Agarwal with 88.8% followed by Vaidehi Mahensaria with 83.8%.

The ICSE students performed at an outstanding level with 27 distinctions in English, 25 in Second Languages, 38 in History and Geography, 19 distinctions in Mathematics, 15 in Science, 5 in Economics and 43 in Computer Applications. 25 students achieved First Class.

Business Studies	94%	Jayaraj S Patel
Psychology	88%	Kamakshi Anil Mathur

We congratulate our dedicated staff and we wish the Class of 2014-2015 every success for their future!

The best students are not those who are the most intelligent. They are the ones who take advantage of their talents and work hard to surge ahead of all their classmates – just like all our Shepherdians. GSIS is engaged in providing a vibrant partnership of artistic and academic

excellence as core values embraced from the visionary ideals and values of the Institute's Founders.

At GSIS, we have adopted The Common Core Standards to:

- help students gain the knowledge and skills that they need to think and work at that deeper level
- create opportunities for all students to excel at reading, writing, speaking, listening, language and math
- support students to think critically about what they read
- allow teachers and students to focus on fewer critical concepts more deeply
- build students' abilities to apply what they have learned to the real world
- ensure that all students can communicate strong ideas and arguments in writing and react powerfully to what they read
