

IBDP RESULTS 2017

Laurels of the May 2017 IB Batch

We are happy to inform our readers that a record number of 82 students took the IB Diploma examination this session, that is, May 2017. The highest total score was 41. The average grade obtained at the school by candidates who passed the diploma was 5.04 on a scale of 7 points and the average score was 32 points. Among the 27 subjects taken at various levels, 13 students had 7 as the highest score; 1 had 6 points and 2 had 5 points which was the lowest score in their individual subjects. Besides, in 20 of these subjects, our school's score was above the world average. 9 students scored full 3 points from the TOK/EE combination and 22 students scored a 2 in the same with 16 students scoring an A in Extended Essay and 6 scoring an A in Theory of Knowledge.

Good Shepherd International School is proud to say that students have been urged to perform beyond their potential. During the two years we have seen students emerge as global citizens and leaders who are caring and have a definite purpose in life. The school takes greater pride in her achievements as her achievements go far beyond what the statistics given above reflect as students who have generally been silent and apathetic were nurtured to become vocal, critical thinkers and open-minded and caring individuals, poised to take on the challenges of the world with confidence as balanced risk takers. We continue to set our bar high!

We wish our students the very best in their future endeavours!
