Ooty Good Shepherd School students run for a cause

Ooty, Dec 1:

In a bid to spread awareness about the ill-effects of AIDS, the students of Good Shepherd International School, M. Palada organised for a marathon on November 29 to mark World AIDS Day being observed today.

On a cold Sunday morning, around 300 students from different sections of The Middle School (Grade 7-8), The High School (Grade 9-10) and The Higher Secondary School (Grade 11-12) converged at the starting point to run for AIDS

awareness campaign.

The event was organised by the High School students (Grade 10) as

part of their project work in the subject Global Perspectives in IGCSE. The students turned out

with full enthusiasm with their banners and logos of AIDS stuck on them. Some of the students had worn t-shirts with logos inscribed on them.

Winners of the Marathon were declared as Brand Ambassadors of the awareness campaign and their interviews were taken by the student asking what they will do as global citizens to spread the message far and wide.

Finally, Good Shepherd International School principal Dr. P.C Thomas distributed prizes and certificates to winners.
