

## CAMBRIDGE IGCSE MAY/JUNE 2013 RESULTS

The Uncommon American, John Gardner, writing on educational excellence, averred: "There's something I know about you that you may not even know about yourself. You have within you more resources of energy than have ever been tapped, more talent than has ever been exploited, more strength than has ever been tested, and more to give than you have ever given."

**In line with Gardner's proclamations, our students have performed brilliantly in the 2012-2013 IGCSE Board Examinations. 61 students featured in the examinations and emerged with flying colours, 29 with distinction and 18 with a merit. The witnessed 105A\*, 101As and 109 Bs.**

**Anjali Sabu Nair topped the Science batch, securing 7A\* s and 1 A followed by Jittisak Kullapanich securing 5A\*s, 2As and 1 B and Yash Raja Morangkey with 4A\*s, 3As and 1 B. In the Commerce Batch, Sushanth Reddy Kambham topped with 6A\*s and 2As. He is closely followed by Dhruv Rajkumar Kapoor with 4A\*s and 4As and Chindanai Dechawaleekul with 4A\*s, 3As and 1D.**

GSIS students fare better than others because they get significantly more school time, and they also have facilitators that invest in their quest for the best! The key objectives of the facilitators are:

- to improve performance through increased productivity and competitiveness;
- to nourish and nurture students towards excellence and inspire them to engage wholeheartedly with communities and customers; and
- to interact with individuals, businesses, organizations and industry associations... towards superior outcomes.

These phenomena are all evident in this year's Board Results, and in the general evolution of our campus population.

Our successes are achieved primarily through excellent teaching, new approaches to learning, first-rate ICT facilities, a vibrant Library (Learning Resources Centre) and a variety of exciting opportunities that stimulate discovery and learning. A major strength of the school is the broad curriculum and the all-round education experience that pupils enjoy.

On the occasion of such a joyous event, we are delighted to express our deepest appreciation to all the parents for placing their faith and trust in us to provide the best academic, social, and spiritual learning experiences. We celebrate each child and acknowledge and applaud his/her God-given gifts and talents.
