With the beginning of the new academic year, staff and students of the Good Shepherd International School (GSIS) here joined hands with policemen on Sunday and gifted bags full of clothes and other articles to tribals and residents of four hamlets including Haniyakandhi and Kamraj Nagar in remote Kinnakorai belt on the Nilgiris border. The GSIS adopted these hamlets last year. Mr. Murali Rambha, the SP of Nilgiris, who joined the students to spend the day with the villagers, said that tribals and other villagers should come forward to send their children to school to educate them, as education paves the road for all round development. Brig. Suresh Kumar, vice-principal of GSIS, was among those who spoke on the occasion.
