

IGCSE RESULTS MAY-JUNE 2020

“The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice.” – Brian Herbert, author.

Cambridge Assessment International Education is the world’s largest provider of international education programmes and qualifications for 5 to 19-year-olds. The content of syllabuses spans not only knowledge and understanding, but also skills with the intention of forming young scholars into responsible and knowledgeable individuals.

The young scholars of GSIS have definitely lived the words of Brian Herbert and have proved their mettle in the IGCSE X Board Examination 2020, with 100% passing the exam. Notably, 50% brilliant scholars have attained a Distinction and 45.8% Merit. Of all the champions, the brightest were the 25.9% scholars who have nailed it by attaining A*s in all the nine subjects! They are - SHREYAAN JAIN, RAVINA JAYWANT PATIL, MEET DOBARIYA , KANUPRIYA VINKLE CHAWLA, NEEV GULABANI, HARSHUL ASHISH AMIN and NITYA NILESH DHANANI. Very closely and equally brilliant were 25.9% more students who secured eight A*s out of the nine subjects. The rest of the students too performed to their best and capability.

Effective academic guidance of the subject teachers and the affection and support of parents are an integral part in the success story of every student. At GSIS, the teachers are the heroes; they play the double role of a teacher and a parent, devoting time and energy, to groom these students to attain their best. The GSIS community feels the joy of a rich harvest, at the wonderful achievement of the students.
