

Cambridge IGCSE Results June Series 2022

We are delighted to announce that our students have showcased an impressive performance in the IGCSE June 2022 exam series. Out of the 64 students who appeared for the examination, 47% achieved distinction and 41% secured merit.

For the June 2022 exam series 43% of our grades are A*-A, 66% are A* - B and 86% of our grades are A*- C.

Aadhavan Balachandran, with 9 A* bagged the first place, followed by Shiv Manish Punjabi with 8 A* and 1 A, are the toppers of the IGCSE June 2022 exam series. This is an excellent testimony to the hard work, dedication, and unparalleled commitment of our students and teachers.

This year, GSIS offered Additional Mathematics, which provides a strong foundation of mathematical knowledge both for candidates studying mathematics at a higher level and those who will require mathematics to support skills in other subjects.

A total of 9 students appeared for the first exam in Additional Mathematics and scored 3 A*, 3 A, 2 B, and 1 D.

Even though the last two years have been especially difficult due to COVID-19, however, our learning to move forward in complex situations, embrace the unknown and develop adaptability as a skill has led to this remarkable accomplishment.

Our progress in the IGCSE examinations reflects our high academic standards, extraordinary education, and our students' diligent effort and responsibility.

We wish all our students the very best with their next steps and hope they will keep in touch and visit us in the near future. Very well done!.

Cambridge IGCSE Results March Series 2022

We are glad to announce that our students have showcased an excellent performance in the IGCSE March Series 2022. A good majority of our students have secured 11 A*s, 9 A s and 1 B in Global Perspectives and Research and 5 A*s, 3 A s and 3 B s in Hindi as a Second Language in the Cambridge IGCSE March Series Board Examinations this year. Needless to say, this is a wonderful testimony to the hard work and commitment of our students and teachers. Our students have displayed remarkable resilience in the face of the challenges brought on by the pandemic and has come out with flying colours. Congratulations! We are proud of you!

The past two years have been remarkably challenging, forcing us to adapt to new realities. Due to the COVID-19 pandemic, our students had to transition to online learning, which initially presented certain bottlenecks for our teachers and students. However, in course of time, we have managed to embrace change and look for the incredible opportunities that present themselves in the midst of adversities. We wholeheartedly appreciate the unparalleled commitment and resilience of our students and staff without whom we wouldn't have made it this far. Thank you so much for your unwavering support and dedication.
