

## Cambridge Checkpoint Results - 2013

**Excellent performance once again by the Shepherdians!**

The Cambridge Checkpoint results 2013 is yet another milestone in our path towards excellence. 66 students took the exam this year.

**Unnati Chordia**, made us proud by achieving an outstanding result of a perfect score of 18, with all 6's in English, Mathematics and Science. She will be an inspiration to the batches to come.

**Abheshek Satish Pandey** and **Namratha** closely followed with the score of 16.1. The third place was secured by **Ishaan Chopra** with a total score of 16. All the three scoring a perfect score of 6 in Science and Mathematics.

The results of all the three subjects were encouraging, with 10 students scoring 6 in Mathematics and 14 students scoring 6 in Science – the possible highest score in the Checkpoint Exam.

We are proud of all our young Achievers!  
**CONGRATULATIONS!**
