In the Science Group **Joseph John Valiyaveetil scored a whopping 95% followed by Yash Vardhan Goyal with 93%**. 10 students appeared for the ISC – Science Group. Three out of the ten students scored above 90% whereas four students scored above 80%. **Yash Vardhan Goyal scored 100% in Computer Studies.**

In the Commerce Group **Diksha Kamalia stood first in the class with 92% followed by Reshu Agarwal with 91%**. 11 students appeared for the ISC – Commerce Group.

This prestigious achievement is made possible through the highly qualified and dedicated staff of GSIS, who, in fact, has given whole-hearted support and constant guidance to the students. The staff works on the principle 'Class is my home and the students, my children.' The teachers spend quality time every day with the students to cater to their individual needs.

Good Shepherd International School will continue to serve the community by upholding its mission and vision of '**Truth, Trust and Triumph.**' The world-class facilities provided for the students in the new Higher Secondary Block, will definitely enhance the teaching-learning environment to a new horizon.

We appreciate the parents for their immense trust and support provided to the school. This atmosphere of trust and respect is vital to improve our standards.

Our work is not done. We are determined to continue expanding opportunities for more students and equip them with the skills to compete the future.

"Failure will never overtake me if my determination to succeed is strong enough." OGMandino
