We also take this opportunity to congratulate the consistent efforts of the staff who worked as a team dedicating their expertise and time to guide the students.

Success is a combination of passion, dedication and hard work and our young Shepherdians have been proving that in all their academic results.

GSIS is engaged in providing a vibrant partnership of artistic and academic excellence as core values embraced from the visionary ideals and values of the Institute's Founders.

At GSIS, we have adopted The Common Core Standards to:

- help students gain the knowledge and skills that they need to think and work at that deeper level
- create opportunities for all students to excel at reading, writing, speaking, listening, language and math
- support students to think critically about what they read
- allow teachers and students to focus on essential critical concepts more deeply

- build students' abilities to apply what they have learned to the real world
- ensure that all students can communicate strong ideas and arguments in writing and react powerfully to what they read

SUCCESS IS THE RESULT OF PERFECTION, HARD WORK, LEARNING FROM FAILURE, LOYALTY, AND PERSISTENCE.
